Signing up to a webinar

There are two ways to sign up to a webinar, via the **Calendar** or via the **My portfolio** tab.

**Method 1**

On the home page, click on the **Calendar** tab.

---

The **Calendar** shows you webinars that are available in the Online Teacher Community as well as free events on external sites.

If you see an event you’re interested in, click on **Details** and it will show you how to enrol.

---

The webinar titled "Webinar: Effective Communities of Practice" is taking place on May 06, 2021. It is an online event and details are provided in the Details button.
Method 2

Go to the My portfolio tab and then select My groups from the drop-down menu.

This page shows you all the webinars and groups that you can enrol in. When you see the webinar (or group) you want to enrol in, click on the Enrol button.
To find a webinar that you previously signed up to, select the Calendar tab.

To enter the webinar, you need to click on the Details button for the webinar.

The webinar opens just before the start time, and a Join button will appear. You'll also need to make a note of the passcode for the webinar as you'll be asked for it before you can join the webinar.
