ation

Best practices

**Capacity building:
educated staff/
students and
equipped classes**

The background features a large, light gray circle with a thick, darker gray border. Inside this circle, there are several small, light gray rectangular dashes and a few small squares. A green, rounded rectangular shape is visible on the left side of the image. The text is centered within the circle.

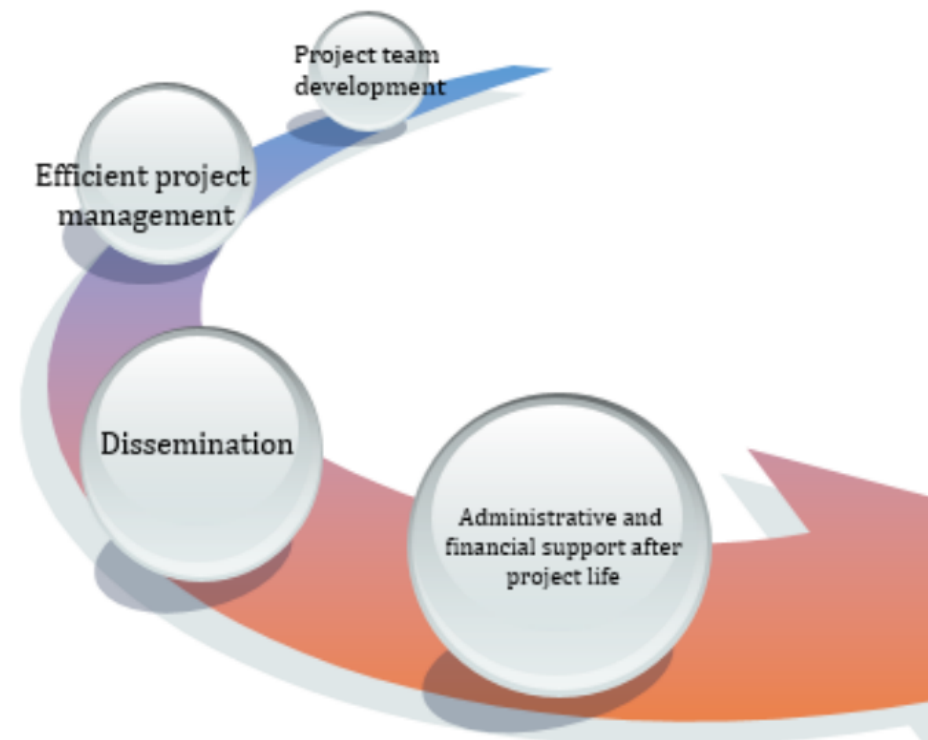

**Providing
innovative
services: to each
and to all**

**Implementation of
new technologies:
e-learning, OER,
teaching and
learning etc.**

Strengthening the cooperation

Sustainability trajectory

Steps to Internationalization

- Connections with the wider world
- Open resources
- Quality teaching and learning
- Variety of services
- Social role
- Image
- Access
- Success with projects
- Sustainability
