

Successful partnerships

Essentials for successful academic partnerships

Consider also.....

- **Positive impact of BREXIT on UK future focus on the Central Asia region**
- **Benefits of a consortium approach between universities from across the Central Asia region**
- **Benefits of using a ‘gatekeeper’ as facilitator and bridge between the different academic cultures of each partner**
- **Build partnerships on existing personal relationships where possible**
- **Be ready to commit much time and resource in the first 2 years of a new partnership**
